VI. Special Presentations

VII. Council Caucus/Items of Discussion

a. Registration Fee Advisory Committee

- Need someone to take over Parminder's position as Reg Fee Advisory Rep
- Rep will shadow Parminder
 - Colleges can choose if should have shadow
- Meets weekly (10 hours a week), large stipend
- Look at budget, clusters, prepares reduction scenarios
- Normally interview process- but recommendations more acceptable with committees
- Marciano: very important position- group had tremendous power on how colleges will look and continue to look
 - Huge voice on this campus
 - Direct contact with Vice Chancellor
- Survey coming out later this quarter- fill them out (chance to win iPad, iPod)
 - Input is really important!
- After two years can apply to be vice chair or chair
 - Freshman and sophomore preferred

Shane moved to reorder back to reports of members, Cindy seconded

VIII. Old Business

- a. Bella Shander, on behalf of START, START Bracelets, Requested: \$154.00, Funded: \$154.00 (2-0-1) Informal - Student Org Unallocated line item

After the appeal, there was a clearer explanation of the amount of bracelets requested- purchasing 500 bracelets over 250 bracelets would be saving funds, while getting more bracelets.

Parm moved to approve, Guyane seconded
10-0-2

passed

- b. Annie Jia, Arts Director, Spirit of the Masters- Part 1, Requested: \$810.60, Funded: \$810.60 (3-0-0) Informal - Spirit of the Masters line item

This budget included the equipment needed for each art showcase, the gallon of paint, and the already purchased canvas. This event is cheaper than previous years and Annie plans on spending half of the \$510.60 (the canvas was already purchased and cost approx. \$300)

Parminder moved to approve, Cindy

passed

- c. Andrew Mandinach, President of Video Production Club, Oscar Night Screening and Party, Requested: \$134.21, Funded: \$134.21 (3-0-0) Informal - Student Org Unallocated

This is an event that hopes to bring together Sixers during the night of the Oscar's. Finance thought it was a great idea to host an Oscar's screening with activities and raffles. The funds would come from student org unallocated.

Cody moved to approve, Polina seconded

passed

- d. Andrew Mandinach, President of Video Production Club, Racialization in the Media Lecture Series- Winter, Requested: \$443.50, Funded: \$443.50 (3-0-0) Informal - VPC Lecture Series line item

The lecture series occurs every quarter, and it is a traditional, popular event among Sixers. The budget is a bit more than the average \$300 event because VPC has new members that need t-shirts for their upcoming events; thus, the budget for the line-itemed Film Festival will take this into consideration and be lowered.

Polina moved to approve, Cindy seconded
