VII. Council Caucus/Items of Discussion

a. Kuncocshun joining with Warren Live

Submitted by Emma Quan

- Thinking of partnering with Warren
- As of now Kuncocshun is Fri April 27 from 4-8pm – same day as Marshall, Muir, ERC Semi formal at 8pm – tickets only sold to these colleges – Kuncocshun opened to entire campus
 - Should we change date to April 19th or 26th?
 - If partner with Warren have more funding and could get better act
 - 25,000 line itemed, 10k left for artist, warren has 15k for artist
 - Parminder: own festival yes more funding but should not join
 - Shane: not bad idea because more funding and could be bigger event – could have bigger turnout
 - Savini: sets up certain expectation for next Kuncocshun director
 - Sixth 10th anniversary so should be our own
 - Cody: should not move day even if Semi-formals on same day
 - Cindy: competing for same target audience – both Kuncocshun and semi-formal
 - Straw poll should partner or not? Majority say no
 - Changing date would be a hassel with reservations
 - Straw poll - should date move? Majority say no

VIII. Old Business

- a. Ephraim Lu, Second Year Senator, Sixth College Housing Tours Info Session,
Requested: \$47.00, Funded: \$47.00 (2-0-0) Informal
Submitted by Sabrien Pabla on behalf of the Finance Committee

After discussion with the second year senator, finance thought it would be beneficial to the students if an information session was held rather than tours to the apartments. In the previous years, the housing tours were split between Revelle College Council and Sixth College Council; however, this year, Revelle has chosen to not partner with us, leading to a huge increase in the budget. Hence, the senator has decided to only host an informational event in Sixth.

Savini moved to approve, Bella seconded

This year the stoles are new and improved with more authentic and high- quality material. Sixth College Council would be subsidizing approximately \$5 per student.
